

Wellness Inventory

Wellness is a conscious, deliberate process that requires being aware of and making **choices** for a more satisfying **lifestyle**.

This inventory gives you a way of thinking about what you are doing, and how you are feeling. This inventory outlines wellness strategies you may use. When you read each item, think about the things you are doing now for your personal wellness. Answer each item in a way that best captures how often the statement is true for you. As you rate each item, you will use the following scale. There are no right or wrong answers. The inventory can be used to build new wellness habits and routines.

- 4 Always True** for me
- 3 Sometimes True** for me
- 2 Rarely True** for me
- 1 Never True** for me

Now I am going to ask you about Physical Wellness. This involves the maintenance of a healthy body, good physical health habits, good nutrition and exercise, and obtaining appropriate health care.

Rate each item using this scale:

- 4** If the item is **Always True** for you
- 3** If the item is **Sometimes True** for you
- 2** If the item is **Rarely True** for you
- 1** If the item is **Never True** for you
