

Our goal at the Wellness Respite is to provide caring and empowering support to help our guests better manage their wellness.

WHAT ARE OUR RESPITE GUESTS SAYING ABOUT THEIR STAY?

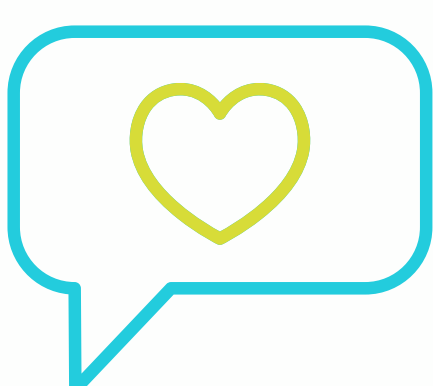

Of the individuals who responded, **all 62** stated that respite services helped them in recovery.

93.6% of guests stated that they felt their opinions were valued by staff.

95%

of guests agreed that the quality of service at respite received was at least good or excellent.

WHEN ASKED IF ANY CHANGES OR SUGGESTIONS COULD BE MADE, GUESTS SHARED THAT...

"The staff was wonderful."

"I feel as though all of my needs were met."

"The benefits here are amazing."

Data collected is representative of guests who used respite services from any of our three locations.
